

# Zehnder Alura Tech

Product data sheet

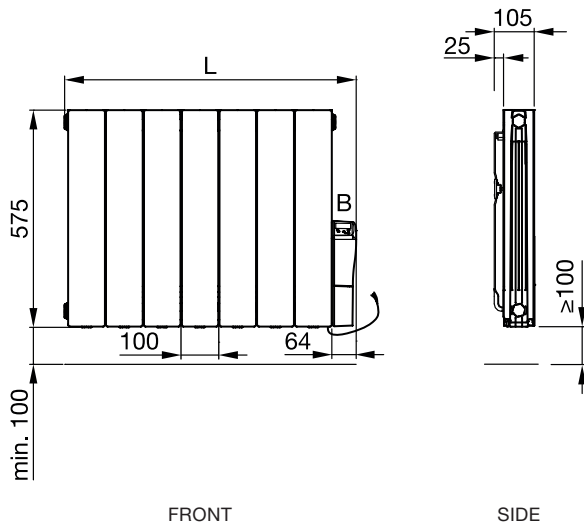

# Zehnder Alura Tech

The Zehnder Alura Tech electric radiator is highly responsive and is an impressive choice due to its high thermal output despite its small dimensions. The control panel is elegantly integrated into the radiator design and is intuitive to use. Available in white.

## Benefits

- Intuitive control panel makes operation simple
- Simple operation due to three pre-defined heating programs
- Energy-efficient heating through innovative "open window detection"
- Operation on demand with energy consumption indicator
- H bracket with integral spirit level for easy installation

## Model overview

L = length

Dimensions in mm

## Electric-only operation

Painted version

Model	H mm	L <sup>1)</sup> mm	T mm	Output Electric Watt
